

Somerset Academy Bethany

Meet and Greet!

You are invited to our meet and greet event where you will receive crucial information about our schools' procedures and everything your student needs to know to ensure a smooth first day!!! Your students' teachers are working hard getting their rooms ready and are excited to meet everyone!!!

Please make sure to view the Orientation Video before coming to meet the teacher. In order to allow you the most time to meet with the teacher, we won't make you sit in an auditorium to listen to the procedural things. You'll be able to do that from the comfort of your homes.
