

# SAB SCHOOL BUS RIDER AGREEMENT

Somerset Academy Bethany has established behavioral rules for school bus transportation. It is important to note that violations of these behavioral rules may result in suspension and/or loss of bus riding privileges. Riding the school bus is a privilege and not a right, or a guaranteed required service, and all families are expected to abide by the bus rules and expectations. When a student chooses to deviate from appropriate behavior, disciplinary action will result as listed below, in accordance with the Student Handbook

*Note:* Students are still required to attend school during any bus suspension. Absences during a bus suspension will be marked as unexcused. Parents/guardians are responsible for making transportation arrangements to ensure the student attends school.

## STUDENT EXPECTATIONS

Students must follow all bus safety procedures and comply with all instructions given by the bus driver. All students will have assigned seats. Students must take their assigned seats immediately upon boarding and remain seated during the ride. Students are required by law to always wear their seat belts while on the bus. The bus driver reserves the right to change a student's seat assignment at any time. Students must also follow the Student Code of Conduct as outlined in the School's Student Handbook. Students are expected to be polite and courteous to one another and to the driver. Electronic devices, such as phones or handheld games, are permitted but must be used with earbuds or headphones, so as not to disrupt the driver or other passengers. However, video or audio recording on the bus is prohibited. Students should have phones and handheld devices put away when loading and disembarking the bus. Bullying of any kind (verbal, physical, or cyber) will not be tolerated. Failure to follow the rules, or engaging in the behaviors listed below, will result in disciplinary action, up to and including permanent suspension from transportation services.

### Prohibited Behaviors include

- \* Standing or walking while the bus is in motion. Failure to wear a seat belt.
- \* Placing head, arms, legs, or objects out of the window or in the aisle.
- \* Tampering with bus equipment, including doors, windows, emergency exits, seat belts, or seats. (*Examples: braiding seat belts, playing with emergency handles, vandalizing seats or seat belts.*)
- \* Touching or moving another student's property or opening backpacks on the bus.
- \* Throwing objects inside or outside the bus.
- \* Eating, drinking, or chewing gum on the bus.
- \* Conducting pranks involving students, drivers, or emergency authorities.
- \* Fighting, tripping, shoving, cursing, or shouting.
- \* Disobeying driver instructions, arguing, or talking back to the driver.
- \* Any other inappropriate behavior as defined in the Student Code of Conduct.

## DISCIPLINARY CONSEQUENCES

Behavioral Occurrence	Consequences

2 <sup>nd</sup> Offense	Bus referral or detention issued; parent contact from school administrators
3 <sup>rd</sup> Offense	Detention and/or 1 – 3 days bus suspension (depending on severity)
4 <sup>th</sup> Offense	2 – 4 days bus suspension (depending on severity)
5 <sup>th</sup> Offense	3 – 5 days bus suspension (depending on severity)
6 <sup>th</sup> Offense	Permanent loss of bus privileges

## PARENT / GUARDIAN EXPECTATIONS

- Parents/guardians/non-riders are **not permitted to board the school bus** at any time.
- Please arrive at the assigned bus stop at least **10 minutes prior** to the scheduled arrival time. Buses operate on a strict schedule and **will not wait for late arrivals**.
- For morning pick-up, weather permitting, students should be **standing at the bus stop and ready to board** when the bus arrives.
- For afternoon drop-off, parents/guardians of children in 2<sup>nd</sup> grade or under must be clearly visible to the driver during afternoon drop-off and should not remain inside a vehicle. Weather permitting, parents/guardians should stand at the stop and receive their child directly from the bus door so the driver can clearly identify them.
- Students in 2<sup>nd</sup> grade and under must have a parent, guardian, or authorized older sibling present at the stop to be released from the bus in the afternoon. If no authorized person is present and visible to the driver, the student will be returned to the school, where they must be picked up before aftercare closes at 6:00 PM. Repeated occurrences will result in aftercare charges and/or loss of bus privileges.
- Students who do not ride the bus regularly for a period of **two (2) consecutive weeks** may lose their assigned seat.
- Beginning with the **2026–2027 school year**, dual ridership will no longer be permitted. Each student is assigned to **one bus stop, and one bus only** and may ride only the assigned bus from the assigned stop. Parents/guardians will be responsible for arranging transportation to and from the student's assigned bus stop.

If your child is enrolled at the Boys and Girls Club Chuck Hill Clubhouse, please contact transportation to arrange for bus services to that location.

Our buses operate on a very tight schedule. It is imperative that loading and unloading occur quickly, safely, and smoothly. Following these expectations and rules will help to ensure our buses run in a timely manner and help to ensure your student has a safe ride to and from school every day.

Please note that our bus stops may not necessarily be convenient or close to your home. To cover a larger geographic region, we offer "depot stops" in some areas. A depot stop may not be close to your home, but it is typically closer than driving to the school. This helps ensure that buses operate as close to schedule as possible

If you have any questions or concerns, please contact the Somerset Transportation Office.
